

FOR IMMEDIATE RELEASE:

PKWARE Announces Opening of New York Office

New York, NY—March 1, 2008—PKWARE, Inc., the leader in data protection and file management across all major platforms, announced today the opening of their New York office. With the company's continuing expansion, PKWARE has opened their new location to better serve customer needs in the northeast geographical region, specifically within the financial services industry.

“The opening of our new office brings PKWARE to the heart of New York's World Financial Hub, allowing us to better serve our base of customers within the Northeast. Since we are doing business with almost every major financial institution on multiple platforms, it just made sense to locate technical and sales resources in New York City to better serve them,” said Dick Cotter, Senior Vice President of North American Sales for PKWARE.

PKWARE's flagship security product, SecureZIP, uses data-centric technology to bring security to over 25,000 companies, including 60% of the Fortune 100. PKWARE, Inc. is headquartered in Milwaukee, WI with additional locations in New York, the United Kingdom, and Japan.

About PKWARE, Inc.

PKWARE, Inc., the largest global software company providing ZIP solutions, is the creator and continuing innovator of the ZIP standard. PKWARE products are used to ensure the security and portability of data internally, as well as with partners, across all major platforms. Hundreds of global organizations in financial services, banking, retail, healthcare, government, and manufacturing use PKWARE services daily. PKWARE products provide unmatched scalability, ease of use and deployment, making them the most cost-effective means of securing data and complying with industry regulations. PKWARE, a privately held company, is based in Milwaukee, WI with offices around the world. PKWARE Japan K.K. serves the Asia Pacific market including China, South Korea, Singapore, Taiwan, and Malaysia from its offices in Tokyo.
